

Chronological age and actual age

The ultimate gap between me and myself

① Health

*I have absolutely no cavities, so they are my own teeth.

*I have reflux esophagitis, but it's not a disease.

*The difference between my time with ulcerative colitis and now

② Physical strength (including athletic ability)

③ Intellectual ability (perhaps academic level)

④ Creativity (artwork, playing instruments, composing, etc.)

⑤ Mental strength (including tenacity)

⑥ Appearance (including gender unknown → She appears to be almost a young woman)

⑦ Style (including model style)

⑧ Years since birth

* Conclusion

Comparing and contrasting the combination of ①-⑦ with ⑧

A gap beyond the realm of humanity.
