

In this case, it's probably like this

In my case, the following situation might lead to the following result . . .

- ① Even when I go to a class reunion,
"Even if someone comes on my behalf, is it a relative?"
- ② Even when I attend a funeral,
Because I have a style like an adult video actress, people around me say "that's sexy"
when I show up in mourning clothes.

- ③ Even when I go to a hot spring,
Since it's impossible to tell by appearance,
"I'm always asked to prove my gender with ID."

Today I went outside to do my daily routine of practicing playing my instrument.

- ① First time playing the violin (at my usual nearby park)
I was able to play the entire song by myself.
Amazing Grace *First part of Canon
- ② Alto saxophone performance (at my usual nearby park)
- ③ Piano performance at LaSola Sapporo
