

Back when people said, "If you're a man, you're finished."

Even if you're a man, it's not over...

There's no need to ask a strange woman, "What do you mean when she smirks at you?"

A previous work states, "[**This is not applicable.**](#)"

This is the "age of diversity," so anything goes!

The D in the SDGs...Diversity.

*Recently, there have been many works that link back to previous works.
